April Club Meeting... The next JPRPC club meeting will be held on April 21 on the Archery Range located inside Paducah Shooter's Supply. The meeting will begin promptly at 6:30 p.m. Many of our members have never attended a club meeting. Some of us just want a safe place to shoot and that's ok. However, why not attend a meeting and meet the people behind the scenes who make our club's existence possible. We're indebted to the people who are passionate about keeping the shooting sports alive in western Kentucky. Attend a meeting and tell them you're grateful...and you just may make a new friend.

 Bob Longworth Match Director

We had a great day for shooting steel, sunny and warm, a little windy at times, but at least the range had dried up enough we weren't knee deep in mud.

Jerry Stringham and John Howard both shot 40's in the UAS category, causing a shoot off that consists of chickens at 200yds. Each man has 5 chickens and 5 shots with a two minute time period. Jerry won by hitting one more target than John. It was good to have David Finke back from South Africa safe and sound. Thanks again to all who help me with the match.

It was a very good turnout for our second match. I was overwhelmed by all the SHOOTERS! For the first time since I have been doing the matches, I had a 3rd relay! Evidently Vintage Rifle is the place to be! In the Bolt category Bill Fairless came out the winner with Rick Reichert nipping at his heels at second, with Robert Cantrell taking third. In Vintage Semi-Auto Rick Reichert took the Honors with Robert Cantrell close behind at second and Bob Emmett taking third. In Modern Rodney Baker came out the winner with George Reynolds right behind in second and Dennis Sanderson taking third. Once again I want to thank John Maldener and David Paessler for helping along with George Reynolds and the rest of the gang helping with the match. I couldn't have done it without you. Thanks Ricky
